Tom Petty, Like A Diamond

Madmen crawl
Across the wall
Knight gets away
Kings all fall
And queens chase men
And saints all sin
And good things
All must end

But she goes on forever She goes on forever Yeah, she's gonna shine forever Like a diamond In the sunlight

Big full moon Above the road I'm a long long way From tomorrow Gotta light my way Down this highway To get to her

'Cause she goes on forever She goes on forever Yeah, she's gonna shine forever Like a diamond In the sunlight

Deacons steal
And Ma can't feel
If you're lonely
And behind the wheel
When the ground gives way
You have to pray
To the unknown
And hope it's real

But she goes on forever She goes on forever She's gonna shine forever

She goes on forever She goes on forever Yeah, she's gonna shine forever Like a diamond In the sunlight
