

# Tom Petty, Spike

(Tom Petty)

Oh, we got another one, just like the other ones  
Another bad ass, another troublemaker  
I'm scared, ain't you boys scared?  
I wonder if he's gonna show us what bad is?  
Boys, we gotta man with a dog collar on  
You think we oughta' trow ol' Spike a bone?

Hey Spike what do you like?  
Hey Spike what do you like?

Here's another misfit, another Jimmy Dean  
Bet he's got a motorbike,  
What'a y'all think?  
Bet if we good we'll get a ride on it  
If he ain't too mad about the future  
Maybe we oughta help him see  
The future ain't what it used to be

Hey Spike, you're scarin' my wife  
Hey Spike what do you like  
Please Spike, tell us 'bout life
