

Tom Petty & The Heartbreakers, All Mixed Up

{Chorus}:

I'm all mixed up
I'm all mixed up about
All mixed up about you
Yeah it's having an effect on me
Pullin' and directin' me
I don't know what I'm gonna do

And no, I can't find
No, I can't find no reason
To explain the way that I feel
I remember things being clearer
At one time things were more real

{Chorus}

I'm not lookin' for sympathy
I'm just frightened by this apathy
Like footsteps way in back of me

On a narrow street of stone

I'm all mixed up
I'm all mixed up about
All mixed up about you

And if time will answer all questions
Then perhaps a film will be shown
Everyone could mail-order tickets
Yeah you could sell a lot of shirts
For the last picture show

Baby I'm all mixed up
I'm all mixed up about
All mixed up about you
It's like something is testing me
Pullin' and directin' me
I don't know what I'm gonna do
