

Tom Petty & The Heartbreakers, All Mixed Up

{Chorus}:
I'm all mixed up

I'm all mixed up about

All mixed up about you

Yeah it's having an effect on me

Pullin' and directin' me

I don't know what I'm gonna do

And no, I can't find

No, I can't find no reason

To explain the way that I feel

I remember things being clearer

At one time things were more real

{Chorus}

I'm not lookin' for sympathy

I'm just frightened by this apathy

Like footsteps way in back of me

On a narrow street of stone

I'm all mixed up

I'm all mixed up about

All mixed up about you

And if time will answer all questions

Then perhaps a film will be shown

Everyone could mail-order tickets

Yeah you could sell a lot of shirts

For the last picture show

Baby I'm all mixed up

I'm all mixed up about

All mixed up about you

It's like something is testing me

Pullin' and directin' me

I don't know what I'm gonna do
