

# Tom Petty & The Heartbreakers, Anything That's

Some friends of mine and me stayed up  
All through the night  
Rockin' pretty steady 'til the sky went light  
And didn't go to bed  
Didn't go to work  
I picked up the telephone  
Told the boss he was a jerk  
Your mama don't like when you run around with me  
But we got to hip your mama  
That you got to live free  
Don't need her don't need school  
You don't like your daddy and you don't like rules so

C'mon baby let's go  
Don't you hear the rock 'n' roll playin' on the radio  
Sounds so right  
Girl you better grab hold  
Everybody's got to know  
Anything that's rock 'n' roll's fine  
Anything that's rock 'n' roll's fine

Oh o-oh oh my little baby  
I'm a little bit shakin'  
I'm a little bit crazy  
But I know what I want  
I want it right now  
While the 'lectric guitars are playing way up loud

C'mon baby let's go  
Don't you hear the rock 'n' roll playin' on the radio  
Sounds so right  
Girl you better grab hold  
Everybody's got to know  
Anything that's rock 'n' roll's fine  
Anything that's rock 'n' roll's fine
