

Tom Petty & The Heartbreakers, Anything That's

Some friends of mine and me stayed up
All through the night
Rockin' pretty steady 'til the sky went light
And didn't go to bed
Didn't go to work
I picked up the telephone
Told the boss he was a jerk
Your mama don't like when you run around with me
But we got to hip your mama
That you got to live free
Don't need her don't need school
You don't like your daddy and you don't like rules so

C'mon baby let's go
Don't you hear the rock 'n' roll playin' on the radio
Sounds so right
Girl you better grab hold
Everybody's got to know
Anything that's rock 'n' roll's fine
Anything that's rock 'n' roll's fine

Oh o-oh oh my little baby
I'm a little bit shakin'
I'm a little bit crazy
But I know what I want
I want it right now
While the 'lectric guitars are playing way up loud

C'mon baby let's go
Don't you hear the rock 'n' roll playin' on the radio
Sounds so right
Girl you better grab hold
Everybody's got to know
Anything that's rock 'n' roll's fine
Anything that's rock 'n' roll's fine
