

Tom Petty & The Heartbreakers, Baby, Let's Play

Baby, baby, baby, baby, baby, no-no
Baby, baby, baby, baby, baby, baby
Come back baby, I wanna play house with you

Well you may go to college
You may go to school
You may have a pink cadillac
But don't you be nobody's fool

Now baby come back baby come, come back baby come
Yeah come back baby, I wanna play house with you

Well listen to me baby
Try to understand
I'd rather see you dead little girl
Than to be with another man

My baby come back baby come, come back baby come
Yeah come back baby, I wanna play house with you

Baby, baby, baby, baby, baby, baby
Baby, baby, baby
Baby, baby, baby, baby, baby, baby
Come back here, I wanna play house with you

Well you may go to college
You may go to school
You may have a pink cadillac
But don't you be nobody's fool

Now baby come back baby come
Come back baby come
Yeah come back baby, I wanna play house with you--yes!

Well listen to me baby
There's one thing you should know
Come on back and let's play a little house
And we can act like we did before

Baby come back baby come
Come back baby come
Come back baby, I wanna play house with you

Baby, baby, baby, baby, baby, baby, moo-moo-moo
Baby, baby, baby, baby, baby, baby
Come back baby, I wanna play house with you
Come back baby, I wanna play house with you
