

Tom Petty & The Heartbreakers, Hometown Blue

Baby can't wait baby gotta go
Gotta do a number on a late night show
Do a little song do a little dance
Gonna make the best of her big chance

It don't really matter if she don't or if she do
She's tryin' to make the best of the hometown Blues blues

I gotta friend gotta a little girl
Say she's the best in the whole wide world
Said it's so good said it's so real
Might not last but it's no big deal

It don't really matter if she don't or if she do
She's tryin' to make the best of the hometown Blues blues

Baby save me save me
Save me your sweet smile
Honey I really need you
To help me kill a little bit of time

All of the girls run with the crowd
They go wild when the lights go down
The gotta little money little in a dream
Wanna be the queen of their little scene

Don't really matter if she don't or if she do
She's tryin' to make the best of the hometown Blues blues
Blues blues blues blues
