

# Tom Petty & The Heartbreakers, It Ain't Nothin' To

We got a man on the moon (it ain't  
nothin' to me)  
we got more coming soon (it ain't  
nothin' to me)  
Got natives in New Guinea with gold  
in their teeth  
Might mean somethin' to you  
It ain't nothin' to me  
(CHOURS)  
But when you dance I can go right  
with you  
Yeah when you dance I can go right  
with you  
(END CHOURS)  
We got smilin' politicians  
Got songs from rich musicians  
Called Tokyo long distance and the  
queen came for tea  
Might mean somethin' to you  
It ain't nothin' to me  
(REPEAT CHOURS)  
I got a dog on my leg  
I'm walking on eggs  
Missionaries walking backwards  
Touch 'em and they bleed  
Might mean somethin' to you  
It ain't nothin' to me  
(REPEAT CHOURS)  
Everyone has a message  
For avoiding the wreckage  
Gypsies at home watching Jerry  
Falwell on TV  
Might mean somethin' to you  
It ain't nothin' to me  
Absolutely, infinitum  
Oh yes baby that's really something!  
HA!HA!HA  
Yeah, that's really something!  
Ha!
