

Tom Petty & The Heartbreakers, Rockin' Around

Why be lonely
Why be blue
You've got me babe
I've got you

And I cant stop thinkin about you
How I dig rockin around with you

I was waiting
You came through
You know no one
Else who'll do

And I cant stop thinkin about you
How I dig rockin around with you

You know I dig rockin' around
You know I dig rockin' around
You know I dig rockin' around
