

Tom Petty & The Heartbreakers, The Best Of Ever

She prob'ly works in a restaurant
That's what her momma did
But I don't know if she ever really
Could put up with it
Or maybe she sings in a nightclub
'Cause sometimes she used to sing
But I don't know if it ever
Amounted to anything
But listen honey

(Chorus)
Wherever you are tonight
I wish you the best of everything, in the world
And I hope you found
Whatever you were looking for

Yeah and it's over before you know it
It all goes by so fast
Yeah, the bad nights last forever
And the good nights don't ever seem to last
And man, we never had the real thing
But sometimes we used to kiss
Back when we didn't understand
(What we were caught up in

(Chorus)
(Chorus)
