

# Tom Petty & The Heartbreakers, Trailer

She graduated high school I bought her a trailer  
In a little park by the side of the road  
I could've had the army  
I could've had the navy  
But no I had to go for a mobile home

Yeah I guess I gave it all for you babe  
There wasn't room in that trailer for two babe

I kept up with my interest  
I kept up with my payments

She never said goodbye  
I never asked why  
Man we used to dance to lynnyrd skynnyrd  
Boy she used to look so good at times

But I guess I gave it all to you babe  
There's not room in no trailer for two babe

Well I guess I gave it all for you babe  
All for you and your trailer too babe
