

# Tom Petty & The Heartbreakers, You And I Will M

You and I will meet again  
When we're least expecting it  
Somewhere in some far off place  
I will recognize your face  
I won't say goodbye my friend  
For you and I will meet again

I heard you singing to no one  
I saw you dancing all alone  
One day you belonged to me  
Next day I just wouldn't know  
One day all the rules will bend  
And you and I will meet again

I've got a feeling  
I've got a feeling so strong  
Maybe someday our roads will cross

A red-winged hawk is circling  
The blacktop stretches out for days  
How could I get so close to you  
And still feel so far away?  
I hear a voice come on the wind  
Sayin' you and I will meet again  
I don't know how, I don't know when,  
But you and I will meet again
