Tom Petty & The Heartbreakers, You're Gonna G

I don't want you No more Ain't gonna give any more Than you give to me I don't want you It's too hard Can't try any harder Than you try for me

You're gonn a get it babe I should've quit it babe But you look so good Yeah you do, you do To think that something might change But I was just a foolGo Go to somebody else

Like you do to me I don't want you Can't crawl I can't crawl any further You never crawled for me

You're gonna get it babe I should've quit it babe But you look so good Yeah you do, you do To think that something might change But I was just a fool

You're go nna get it, You're gonna get it, You're gonna get it Baby you're gonna get it
