

# Tom Quincy, Here we go again (feat. Jude Harris)

[Jude]

Am I, heading for disaster?  
Am I, forgetting what I know?  
Or am I afraid instead of letting go?

[Tom]

Are we, dangerous together?  
Are we, pretending to be sure?  
Are we walking into that storm, oh?

[Both]

Here we go again  
Back to where weve never been  
Take it from the end  
Start over  
And make it better  
Here we go again

[Tom]

Is this what we always wanted?  
Is this a beautiful mistake?  
Is this the way two hearts are bound to break?

[Jude]

Show me a part of you that's different  
Show me that you know what I need  
Give me something we can believe in

[Both]

Here we go again  
Back to where weve never been  
Take it from the end  
Start over  
And make it better  
Here we go again

[Jude]

Cuz' I'm older  
And I'm wiser  
And I'm ready to hold on  
For something deeper  
Something stronger  
I'm ready for you

Here we go again  
Back to where we never been  
Take it from the end

[Both]

Here we go again  
Back to where weve never been  
Take it from the end  
Start over  
And make it better  
Here we go again

Here we go again

(Here we go, here we go)

Back to where weve never been

Here we go again

Start over and make it better

Here we go again
