

Tom Swoon, Who We Are (ft. Miss Palmer)

Say hallo to the world we?re make up
Live the light, just past by the time
Can we alone survive?
Can we alone survive?

Let?s hallo to each other who we pass by
Say hallo cause we work out
Someone turn on the light
Someone turn on the light
Let?s hallo to each other who we pass by
Say hallo cause we work out
