

Tom T. Hall, Country Is

Country is sittin' on the back porch listen to the whippoorwills late in the day
Country is mindin' your business helpin' a stranger if he comes your way
Country is livin' in the city knowin' your people knowin' your kind
Country is what you make it country is all in your mind
(guitar)
Country is workin' for a living thinkin' your own thoughts lovin' your town
Country is teachin' your children find out what's right and stand your ground
Country is a havin' the good times listen to the music singing your part
Country is walkin' in the moonlight country is all in your heart
