

Tom T. Hall, Happy Groundhog Day

I missed you Thanksgiving I didn't do much
Watched football on TV and I lost twenty bucks
Did you go to Georgia well Georgia is in they had a nice meal at the Holiday Inn
I missed you on Christmas and so did my friends
I know you were busy and I understand
I sent you a card with a good Snoopy joke ain't it a pity that we didn't have snow
(ac.guitar)
I missed you on New Years my doesn't time fly
That Auld Lang Syne song sure gets in my eye
Heard you had a party and some people went you were the life of the party again
Well springtime is coming it makes me a fool
I thought I would call you while everything's cool
I know it sounds crazy but I wanted to say
I hope that you have a happy Groundhog Day
