

Tom T. Hall, Sky Blue True

If you ever worry will I be true don't you worry I'll be true
And I'll be true sky blue true I'll be true sky blue true

As blue as the skies as blue as your eyes
As bright as the sun as sweet as you hon
I'll be true sky blue true

(guitar)

If you ever wonder do I love you don't you wonder I love you
And I'll be true sky blue true I'll be true sky blue true

As blue as the skies...

(sax)

And when the sun sets over our lives we'll be together beyond the skies

And I'll be true eternally true I'll be true sky blue true

(sax)
