

# Tom T. Hall, That Song Is Driving Me Crazy

That song is driving me crazy I gotta hear it again  
First time I heard it I was with some friends  
It's a simple little song you can sing along with an old time melody  
So would you play that crazy little song again for me  
That song is driving me crazy...

I love that part about break my heart and baby please come home  
And I love that line about hurtin' my mind and my beer ain't got no foam  
That song is driving me crazy...

( horns )

Well you'll sing high and I'll sing low and everybody sing along  
But everybody quit while I get my kick singin' bring that boogie home  
Mhm that song is a driving me crazy...  
Okay gang well that song is driving me crazy...  
That song is driving me crazy...
