

# Tom Tom Club, Bamboo Town

There's a handsome young man down the road from me  
A hard working man for a little courtesy  
His car go with gas and he go with sensei  
Get me driver to Bamboo Town

He never hit the chicken and he never hit the ducks  
He goes round the cow and he pass out the trucks  
He bet on the horses and he won a hundred bucks  
Get me driver to Bamboo Town

Bam, Bam, Bam, Bamboo Town  
Bam, Bam, Bam, Bamboo Town  
He give me lift  
Bum diddly bum

He takes me to the movies and he takes me to the shops  
He pushes down the pedal and he pulls out the stops  
He never gets a ticket because he's cool with the cops  
Get me driver to Bamboo Town

He's got a lot of muscle and he's got a lot of style  
He treats me like a lady and he greets me with a smile  
He takes me for an inch and he takes me for a mile  
Get me driver to Bamboo Town

Bam, Bam, Bam, Bamboo Town  
Bam, Bam, Bam, Bamboo Town  
Bam, Bam, Bam, Bamboo Town  
He give me lift  
Bum diddly bum

He takes me for a walk under the coconut trees  
He says he is a dreamer and I say he is a tease  
He says we should be married and he's down on his knees  
Get me driver to Bamboo Town

Bam, Bam, Bam, Bamboo Town
