

Tom Tom Club, Sunshine And Ecstasy

Rock me Baby, Baby

Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it

Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it

Expensive wine
Sunshine
Music devine
Ecstasy!
Breeze in your hair
No care
Feel good inside
Best way to be!

Rock me Baby all day in the sunshine!
Hit me Baby in the face with a bass line!
Feel the rhythm and the beat of the kick drum!
Wine your waist in the heat of the hot sun!

Ooh Baby! Baby ooh! What a wing-ding!
Gonna wiggle like a worm 'til your bells ring!
When you play me like a song on your heartstring
Party people in the house it's a love thing!

Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it

Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it

Fingers entwined
Sunshine
Bodies to find
Ecstasy!
Sweat on your brow
Feel how
It carries you high
Intuitively!

Oh, wow! It's so - eek - a mouse!
Rock me Baby

Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it

Feel my heartbeat
Feel my heartbeat
There is no doubt about it
I can feel it!

Feel my heartbeat

Feel my heartbeat
I can feel it
I can feel it

Feel my heartbeat
Feel my heartbeat
I can feel it!
I can feel it!

Mind out of time
Sunshine
Music to wind
Ecstasy!
Fire and ice
So nice
Tickle your spine
Electricity!

Rock me Baby all day in the sunshine!
Hit me Baby in the face with a bass line!
Feel the rhythm and the beat of the kick drum!
Wine your waist in the heat of the hot sun!

Ooh Baby! Baby ooh! What a wing-ding!
Gonna wiggle like a worm 'til your bells ring!
When you play me like a song on your heartstring
Party people in the house it's a love thing!

Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it
Feel my heartbeat
Feel my heartbeat

How can this be happening to me?

Feel my heartbeat
Feel my heartbeat
Feel my heartbeat
Feel my heartbeat
Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it

Feel my heartbeat
Feel my heartbeat
I can feel it
I can feel it
