

# Tom Waits, Fish And Bird

They bought a round for the sailor  
And they heard his tale  
Of a world that was so far away  
And a song that we'd never heard  
A song of a little bird  
That fell in love with a whale

He said: you cannot live in the ocean  
And she said to him:  
You never can live in the sky  
But the ocean is filled with tears  
And the sea turns into a mirror  
There's a whale in the moon when it's clear  
And a bird on the tide

Oh, please don't cry  
Let me dry your eyes  
So tell me that you will wait for me  
Hold me in your arms  
I promise we never will part  
I'll never sail back to the time  
But I'll always pretend you're mine  
Though I know we both must part  
You can live in my heart
