

# Tom Waits, Looks Like I'm Up Shit Creek Again

Well the sun came in my window Wednesday morning  
And your love was like the golden rays again  
Now I'm lying here on a Thursday, and you're lovin someone new  
And it looks like I'm up shit creek again

And I can't help thinking of your lovin ways  
And I cried a quart of tears since you've been gone  
And I can't face the morning by myself love  
And it looks like I'm up shit creek again

Since you've been gone, I cry all the time  
And I cannot stand leavin you behind  
So I'll pull myself together, And I'll dry away my tears  
But the morning light has brought back memories  
And I can't face the morning by myself love  
And it looks like I'm up shit creek again  
So I'm out a walkin on this dusty highway  
Cause you've given me no reason for to stay  
And I'll walk until I've found someone who loves me not in vain  
And it looks like I'm up shit creek again  
And it looks like I'm up shit creek again
