Tom Waits, Way Down In The Hole

When you walk through the garden you gotta watch your back well I beg your pardon walk the straight and narrow track if you walk with Jesus he's gonna save your soul you gotta keep the devil way down in the hole he's got the fire and the fury at his command well you don't have to worry if you hold on to Jesus hand we'll all be safe from Satan when the thunder rolls just gotta help me keep the devil way down in the hole All the angels sing about Jesus' mighty sword and they'll shield you with their wings and keep you close to the lord don't pay heed to temptation for his hands are so cold you gotta help me keep the devil way down in the hole
