

# Tom Waits, Yesterday Is Here (Poker Face Soundtrack)

If you want money in your pocket  
You want a top hat on your head  
Hot meal on your table  
And a blanket on your bed,  
Well today is grey skies,  
Tomorrow is tears,  
You'll have to wait  
Til yesterday is here.

I'm a going to New York City  
I'll be leaving on a train  
If you wanna see me  
Til I come back again,  
Well today is grey skies  
Tomorrow is tears,  
You'll have to wait till  
Yesterday is here.

Now if wanna go  
Where the rainbows end  
You will have to say goodbye.  
All our dreams come true  
Baby up ahead,  
In a town where your memories lie.

Now the road is out before me  
And the moon is shining bright  
What I want you to remember  
As I disappear tonight  
That today is grey skies  
Tomorrow is tears  
You'll have to wait till  
Yesterday is here.
