

# Tom Walker, Better Half of Me

you'll always be my number one  
a whole lot more than good enough  
I'm giving everything I've got  
to gain every second lost  
6 years just ain't enough

whit you I am happy being me  
I don't pretend  
cause idon't need to  
I am thousand miles form home  
when you whoisper down the phone

well i guess we never saw this coming  
halfway around the world calling  
but I just want you to know

that I'd have all I need  
if you were standing rright in front of me  
I'll finally see  
what it means to be complete  
don't need to spend our lives chasing gold  
anywhere whit you  
I 'll call my home  
I'd have all I need  
if you be the better half of me

I am still up, it'  
s 4 am  
is the Amsterdam or berlin?  
I ma just waiting for the day  
I finally get to say  
these words face to face

well i guess we never saw this coming  
halfway around the world calling  
but I just want you to know

that I'd have all I need  
if you were standing rright in front of me  
I'll finally see  
what it means to be complete  
don't need to spend our lives chasing gold  
anywhere whit you  
I 'll call my home  
I'd have all I need  
if you be the better half of me
