

# Tom Wehrle, Don't Go

It's time to try for today  
I'll try to say what I want to say  
I see you running with your head cut off  
Like you'd been left unloved

Hey, don't go  
I want to see you so  
Hey, hold on  
Cause you're heading back to the place you came from

Sometimes it takes so long to see  
A little piece of this mystery  
And when you do, you'll see why  
Everything will be back to life...again

Hey, don't go  
I want to see you so  
Hey, hold on  
Cause you're heading back to the place you came from

I don't believe you when you say  
That everything good has run away  
So hold on to the one who's taken you this far  
He won't ever break your heart

There's nothing deep or profound  
To this lyric or in this sound  
Just hear me when I say  
That everything will be ok

Hey, don't go  
I want to see you so  
Hey, hold on  
Cause you're heading back to the place you came from

Now you're running and moving along  
And no one else can sing this song  
But you, cause it's yours  
And I don't know if you'll leave or if you'll stay  
But I hope to see you back one day

I'd hate to see you leave  
I'd hate to see you go  
Oh please stay and please don't go
