

# Tomahawk, Point And Click

Them scumbags  
Them faghags  
Short eyes  
Dope dealers  
Drive-bys  
Faith healers  
I'll be there  
Far away  
I'm floating above it all  
Be there  
I'll be there far away  
I'll be there for you  
I'll prove the holy road leads to  
The snake charmers  
The shoe hangers  
I'll show you Sunday strollers too  
The gangbangers  
Spirit channelers  
I wanna be the one for you  
I'll be the one  
I bought a gun  
I wanna be the crowning jewel  
To bad they won't believe me son  
I'll be there floating above it all  
I'll be there flaming  
Waiting for you
