

Tomas Thordarson, Shame On You (Eurovision)

Weve been together for the longest time,
I always thought that I could read your mind
But lately weve been like two actors in a show,
and I wonder, wheres the loving that we used to know.
I hoped that everything would be alright
that You would be forever by my side.
But all the feelings and the life we used to share,
now it seems to me its goneand that You just dont care.
Youre my fire,
Youre my desire,
shame on you!
Cant you see, that we have gone too far.
Dont you leave me,
dont you deceive me
shame on you,
I just want to be where you are.
You know I love you though you cheat on me,
You try to hide it, but its plain to see.
Make up your mind, cause I cant take it anymore,
wont you turn to me and tell me what youre waiting for?
Youre my fire,
Youre my desire,
shame on you!
Cant you see, that we have gone too far.
Dont you leave me,
dont you deceive me,
shame on you,
I just wanna be where you are.
