

Tomek Makowiecki, Bullet in my back

I`ve got a bullet in my back
You`re tried to kill me, just did
Don`t cry my baby dady`ll sleep it`s to late
to show you all you need
Ohh it`s such a shame
Now it`s getting late
It`s tme to go
Only myself I`m leaving today
Such a shame It`s time to know
It`s only a game
I`m going away Such a shame
Maybe you loved me
mayby not I was just joking starting war
You`ll never forget me now I know
Living in prison that`s your choice
Ohh it`s such a shame
And now it`s getting late
It`s time to go
Only yourself You`re leaving today
Such a shame It`s time to know
The end og the game
Ypo`ve lost it today
Such a shame
