Tomek Ziętek, C'mon

Please don't get me wrong.
That's all he ever said
When something was going on between him and her.

C'mon x3

So the whole summer passed.
He didn't try again
Afraid remain silent
She flew away

C'mon x3

Cos if two hearts beat the same rhythm
just let them be

So ten years passed.
He's got a final draft
But she's no longer there
She's moving back

C'mon x3
