

# Tommy Heavenly6, Heavy Starry Chain

"A wishing apple" in my hands

"A wishing apple" is a fake!

Where is my heaven?

You are my "Heavy Starry Chain";

Baby for you  
my dear

Please wake me up!

So Our love is dead?

You are my "Heavy Starry Chain";

Darling for you

I believe in you I believe in you

Where's my heaven? My fate hate me?

You know so baby My blood freeze  
without you, I Can't breathe  
"I'm fed up!" in my Bad dreams  
because of you  
baby please Wake me up!

You are my "Heavy Starry Chain";

Baby for you

my dear
