

Tommy Heavenly6, My bloody knee-high-socks

Good morning everyone
I fell in sleep as I was playing the game
"F.F"
mada nemui kedo are mo kore mo yaranakya
When I step out of my Bed room
My mind was still in my Nightmare
Oh baby... What's the hell!!
Why am I still in my dream?
Oh It's not funny!!!
sou itsu datte
mejirushi nante nai doko ni mo
mitsukerarenai Where is the way out?
only thing is run my way yeah
tachidomatta usagi ga tokei wo nirande
"Look at the time!" to sawagi
watashi wo oikomu
yokei na osewa yo (how about a tea?)
demo hitori ni shinaide
The twisting moon shines on
my bloody knee-high-socks
No way !It's not funny!!!
TORANPU no kabe ni kakomare ugokenai no
akiramenai Where is the way out?
only thing is run my way yeah
my bloody knee-high-socks!
No way! Where's the way out?
my bloody knee-high-socks!
in my Bad dream again
No way! Where's the way out?
only thing's run my way
Oh baby... What's the hell!!
Why am I still in my dream?
Oh It's not funny!!!
sou itsu datte
mejirushi nante nai doko ni mo
The twisting moon shines on
my bloody knee-high-socks
