

# Tommy James And The Shondells, Baby Let Me

Baby let me down;  
She used to talk with me, but baby let me down.  
She was such fun to be with,  
Parting words she'd never make a sound.  
I kinda think baby let me down, baby let me down.

Baby let me down;  
She used to bring me up, but baby let me down.  
I guess it's just my tough luck,  
Has never been a thing I found,  
And so I think baby let me down, baby let me down.

Baby let me down;  
She was my closest friend, but baby let me down.  
I never thought she'd end,  
It has been so long since she's been 'round,  
I kinda think baby let me down, baby let me down.

Baby let me down, baby let me down. "(repeat until fade out)"
