

# Tommy James And The Shondells, Do Something

Do something to me, I've got to find love in a hurry.  
C'mon, do something to me, help me to ease all the worry.  
Do something to me, I've got to find love in a hurry.  
C'mon do something to me, help me to ease all the worry.

Whenever you're near me, you give me a lovin' feelin'  
But, baby, you keep concealin' what I want to know,  
What I want to know.  
Do something to me, I've got to find love in a hurry.  
C'mon, do something to me, help me to ease all the worry.

It should be so easy.  
You got me where you want me, baby.  
You love me till you get me crazy, c'mon!

Do something to me, I've got to find love in a hurry.  
C'mon, do something to me, help me to ease all the worry.  
"(repeat until fade out)"
