

Tommy James And The Shondells, I Am A Tangerine

Hello banana, I am a tangerine.
Is it a dream? Oh, no! I don't think so, but
My head is spinning, I am a carousel.
Don't-cha hear the bells ringin' in my ear?
And I haven't any troubles,
'Cause the friendly, friendly bubbles wash them away.

I am so mellow, I am a jello man.
Yes I am and nothing touches me.
Oh, no, I think it's over
For the fire's gettin' lower, I'm fallin' down.

Hello banana, I am a tangerine. "(repeat and fade)"
