GETTIN' TOGETHER

Tommy James & The Shondells

Gettin' together is better than ever  
Gettin' together  
I am so happy baby  
Now that you are my lady  
We can hold hands together  
Every day, come what may  
I promise you I'll  
Always give you my lovin' always  
You can depend on me girl  
All the time, rain or shine  
You're gonna love it  
I'm gonna love it  
Day time, night time  
Your time, my time  
Gettin' together is better than ever  
Gettin' together never felt like this before  
Gettin' together is better than ever  
Gettin' together

You bring me new excitement  
I never knew what night meant  
We got a thing together very few ever know  
You can be sure of one thing  
All of the love that I bring  
I'm gonna keep you happy  
All the time rain or shine  
You're gonna love it  
I'm gonna love it  
Day time, night time  
Your time, my time  
Gettin' together is better than ever  
Gettin' together never felt like this before  
Gettin' together is better than ever  
Gettin' together

Gettin' together is better than ever  
Gettin' together never felt like this before  
Gettin' together is better than ever
