

# Tommy Page, A Zillion Kisses

By t. page/l. russell brown

I've been saving all my love  
For somebody like you  
It's building up inside of me  
This feeling's so brand new  
Nothing can stop it  
Nothing can hold it  
Look in my eyes  
I'm sending them through

Chorus:

I've got a zillion kisses for ya  
More and more and more you  
Just can't count my love  
(you just can't count my love)  
I've got a zillion kisses for ya  
More and more and more than  
All the stars above

(endless numbers of)

I've never been to paradise  
With anyone before  
But now I just can't wait to go  
So open up the door  
And I will take you  
I will make you feel  
Happier than you ever been

Chorus

You just can't count  
You just can't count  
You just can't count, you just can't count  
You just can't count, you just can't count  
My love
