

Tommy Page, Hard To Be Normal

By t. page/l. russell brown

Something's happening, happening here
Making all my logic disappear
I used to listen to what people say
Now I'm living life my own way
Tear down all those defenses
Let's go forget, the consequences

In this world it's hard to be
Hard to be normal
Always been hard for me
Na, na, na, na, normal
In this world it's hard to be
Hard to be normal
Close to you, hard for me

Na, na, na, na normal

When you whisper, whisper in my ear
I lose touch with little things like fear
I'll do anything, I'll go anywhere
I'll treat the rules, like they're not there
Tear down all those defenses
Let's go forget, the consequences

Chorus:

The world can end in a blinding light
So who cares what we do tonight

Repeat
