

Tommy Page, I'll Never Forget You

Lyrics: (Written by Tommy Page & L. Russell Brown)

Now is the time, we say goodbye
I see a tear drop falling from your eye
I hear them call, It's time to go
Oh girl I know I'm gonna miss you so

Chorus

No matter where I go
No matter what I do
Deep down in my heart I'll still be close to you
'Cause when the night is long
Still I'll keep holding on
Knowing that you're thinking of me too
I'll never forget you
You stepped away, into the night
The pain inside it cuts me like a knife
We'll meet again, 'cause it's meant to be
Each road you choose will lead you back to me
