

# Tommy Page, Madly In Love

Here I stand, looking in your eyes  
Being with you makes my spirits rise  
I reach out, and hold you closely  
You're like a dream to me

I'm madly in love, so madly in love, with you  
It feels like heaven above, so madly in love  
Your making me feel brand new  
I'm madly in love with you

Warm winds blowin' and the stars are out  
It's the perfect night to tell you about  
All the feelings your love has to bring  
Your my everything (Everything)

I'm madly in love, so madly in love  
Your making me feel brand new

Every time I'm with you, I'm in ecstasy  
Cause the moments that I share with you  
Feel like heaven to me  
Lonely times, fade away, as long as your here to stay

I'm madly in love, so madly in love, with you, oooh  
It feels like heaven above, madly in love, oh, OH!

I'm madly in love, so madly in love, with you  
It feels like heaven above, so madly in love, with you  
With you  
I'm madly in love with you
