

# Tommy Page, Whenever You Close Your Eyes

I, need to know, that I am in your world  
That I am in your world baby  
And I, gotta know, that I am in your heart  
No matter where you are wherever you go  
Oh baby, I hear you saying that you love me  
I feel you touch me in the night  
But that don't mean that I mean something, in your life, baby

Whenever you close your eyes  
I want it to be my face that you see  
When you go to sleep at night  
Whenever you dream, I wanna know that your dreaming of me

So, hard to know  
Wish I could read your mind  
Wish I could read your mind and see in  
Your heart, am I there  
The way your there with me, your everywhere with me wherever I go, oh baby

Before I give my world completely  
And lay my heart down on the line  
I need to know it's me your needing, in your life, baby

Whenever you close your eyes  
I want it to be my face that you see  
When you go to sleep at night  
Whenever you dream, I wanna know that your dreaming of me

Don't you know I'm so in love with you baby  
But I need to know how deep your love is for me

Whenever you close your eyes  
I want it to be my face that you see  
When you go to sleep at night  
Whenever you dream, I wanna know that your dreaming of me
