

Tommy Shane Steiner, Tell Me Where It Hurts

Why is that sad look in your eyes?
Why are you crying?
Tell me now, Tell me now
Tell me why you're feeling this way
I hate to see you so down, oh baby

Is it your heart breaking all to pieces?
Making you cry, making you feel blue
Is there anything I can do?

Why don't you tell me where it hurts now, baby?
And I will do my best to make it better
I'll do my best to make the tears all go away
Just tell me where it hurts
Now tell me
And I will love with you with a love so tender
And if you let me stay
I'll love all of the hurt away

Where are all those tears comin from?
Why are they falling?
Did somebody, somebody,
Somebody leave your heart in the cold?
You just need somebody to hold
So, baby, give me a chance
To put back all the pieces
Take your broken heart
Make it just like new
There's so many things I can do

Why don't you tell me where it hurts now, baby?
And I will do my best to make it better
I'll do my best to make the tears all go away
Just tell me where it hurts
Now tell me
And I will love with you with a love so tender
And if you let me stay
I'll love all of the hurt away

Is it your heart thats breaking all to pieces?
Making you cry, making you feel blue
Is there anything I can do?

Why don't you tell me where it hurts
Tell me where it hurts now, baby
And I will do my best to make it better
I'll do my best to make the tears all go away

Just tell me where it hurts
Now tell me
And I will love with you with a love so tender
And if you let me stay
I'll love all of the hurt away

Tell me where it hurts now, baby (Tell me)
And I will do my best to make it better (I can make it better, baby)
Gonna do, gonna do the best I can
Tell me where it hurts, now tell me (Tell me)
And I will love you with a love so tender (Love you so tender)
Let me stay
I'll take all your hurt away
