

Tommy Shaw, Free to Love You

I don't want to grow up
To be a preacher
I don't want your soul in my hands

Oh and I don't want to sentence you to some
Heaven or hell
You'll have to do that for yourself

All I want to do is be free to love you

Don't say a word
Right now don't say a word
I've already heard too many words
Can't hear a sound
My heart can't hear a sound
My ear's to the ground
Oh and true love should be
Two hearts set free

I don't want to grow up
To be a lawyer
I don't want your future in my hands

Oh and I don't want a percentage
Of what you stand to lose
There must be bigger things to do

All I want to do is be free to love you

Don't say a word
Right now don't say a word
I've already heard too many words
Can't hear a sound
My heart can't hear a sound
My ear's to the ground
Oh and true love should be
Two hearts set free

And you love should see
One heart is me
