

# TONES AND I, CAN'T BE HAPPY ALL THE TIME

as I fall asleep now  
I think of all the paths I've taken  
that lead me to here  
and I wonder

is life at its peak now?  
is it stuck in first gear?  
when will it all disappear?

and time keeps passing; by  
but I am too busy to reply  
and as I close my eyes  
I say lookin' for a sign  
my only friends have been online  
and as I close my eyes  
I tell myself I am fine
