

Tones Wolfe, Will You Stand?

Oh, will you stand
Oh, will you stand
With the Ulster Volunteer Force
As a patriotic band
Would you fight until the death
Would you join the U.V.F.
If you can
You're a man
Then you'll stand

-Chorus-
And when the sound of the battle is over
It's shoulder to shoulder we'll stand
To remember the brave young Ulster soldiers
Who fought for the flag of the Red Hand

Oh, will you stand
Oh, will you stand
Would you fight for God and Ulster
And to keep it British land
With rifle and grenade
Would you serve the old brigade
If you can
You're a man
Then you'll stand
(chorus)

Oh! Will you stand
Oh! Will you stand
Would you travel the road
Where the brave and bold must go
Would you wear the black cockade
Would you serve the old brigade
If you can you're a man then you'll stand
(Chorus)

No surrender to the I.R.A.!!!!
