

# Toni Braxton, A Better Man

[Verse 1]

Hello  
Hello it's me again  
You're still not home  
Cause if you were  
It's after 4 a.m.  
I wouldn't be here alone  
See, God give me the strength  
And the  
Courage I need  
When my heart aches for you  
I have to let it be

[Chorus:]

But it's OK  
I Understand  
You've got to leave  
I won't cry no more  
Baby what for?  
You don't shed a tear for me  
See I was blind, but now I see  
There's got to be, a better man for me, yeah  
There's got to be, a better man for me

[Verse 2]

Hell no  
Oh no not this again  
I'll be counting down  
Your bags are packed  
And they're at the door  
I've got to get used to not having you around  
God gave me the strength  
And the  
Courage I need  
To move forward with my life  
I have to let it be

[Chorus:]

But it's OK  
I Understand  
You've got to leave  
I won't cry no more  
Baby what for?  
You don't shed a tear for me  
See I was blind, but now I see  
There's got to be  
Got to be  
A better man  
A better man  
For me  
There's got to be, a better man for me

Got to be a better man  
Oooh, darlin'  
Hear me now  
God give me the strength  
And the  
Courage I need  
Cause I know now, baby  
There's got to be a better man for me

You've got to leave  
Oooh yeah  
You don't shed a tear for me

See I was blind, but now I see  
There's got to be  
Got to be a better plan  
A better man for me, baby  
One more time, yeah, ya'll  
There's got to be, a better man for me

See I'm tired of your lying  
And I'm tired of trying  
You've got to leave  
I don't cry no more  
Baby what for?  
You don't shed a tear for me  
See I was blind, but now I see  
There's got to be, a better plan for me.  
Somewhere out there, baby  
There's got to be, a better man for me

Oooh  
Yeah  
Got to be a better man
