

Toni Braxton, Give It Back (Feat. The Big Tymers)

Chorus

Give it back, give it back, give it back

(Give my ***** back)

Give it back, give it back, give it back

(Give my ***** back)

Give it back, give it back, give it back

(Give my ***** back)

Give it back, give it back, give it back

(Give my ***** back)

I thought I met a good man whose name I won't discuss

He sold me a dream that we were really in love

But I heard it on the streets that you were steppin' out on me

Now I'm walking out that door and taking everything with me

Give it to me back

Chorus

Baby's Rap:

Hey startin' up baby

Ride brand new Mercedes baby

Pimpin' ain't crazy

Ask Toni baby

Me and Manny baby

Rock till the mid get a boost baby

You want your shit baby?

Get it later

I'll holla back baby

You say you want your car back and the keys to your house

But there's one thing I want 'fore I get the hell out

No recalls, no coupon, I want my refund

I'm sorry I met you 'cuz boy you're not the one

Give it to me back

Chorus

I heard it, heard it on the street

You were stepping out on me

No coupons, no recalls

I want my refund, yeah

[Manny Fresh]

Ladies and gentlemen:

Daddy got a new thing

Bless her with a diamond ring

Keep her neckline

Bling a ling a ling a ling

You could go 'head vacate

This was just a big mistake

Tell your lawyer, call my lawyer

He will tell you what to take

Phone numbers, real chains, attitude real strange

Used to eat big steaks, but now you eatin' chicken wings

Sometimes I be flippin'

Don't know what I be sayin'

Call your lawyer back baby

I was just playin'

Chorus
