

# Toni Braxton, How Many Ways (R. Kelly Remix)

Must have been heaven sent to me  
Cause I never knew love like this  
You know you make me feel  
So good inside and boy,  
It's a feeling I just can't hide  
And baby words can't express my gratitude  
For each and every little thing you do  
I want to understand  
You're all the man  
That I love and I know  
That I need and I want and more  
Baby let me count the ways

How many ways, I love you  
Let me count the ways  
How many ways, I love you  
Let me count the ways

You know you're so very special to me my baby  
I'll never let you go  
When I'm with you  
I feel so free I could count  
From 1 up to 99 and still believe  
Although sometimes now baby  
We disagree  
There ain't never or will  
ever be another love for me  
And I want you to know I appreciate  
All the things that you do when you do  
What you do for me  
Darling let me count the ways

How many ways, I love you  
Let me count the ways  
How many ways, I love you  
Let me count the ways

1, 2 I love you  
3, 4 So much more  
5, 6 I can't get enough of this  
7 let me show you my love  
And take you to heaven  
8, 9, 10 let me start love  
Over and over. . .again
